11 ues to benefit from this rich diversity;

12 (3) throughout the history of the Nation, the
13 common thread binding those of differing back-
14 grounds has been a common language;

15 (4) in order to preserve unity in diversity, and
16 to prevent division along linguistic lines, the United
17 States should maintain a language common to all
18 people;

19 (5) English has historically been the common

23 grants better assimilate and take full advantage of
24 economic and occupational opportunities in the
25 United States;

1 (7) by learning the English language, immi-
2 grants will be empowered with the language skills
3 and literacy necessary to become responsible citizens
4 and productive workers in the United States;

5 (8) the use of a single common language in the
6 conduct of the Government's official business will
7 promote efficiency and fairness to all people;

8 (9) English should be recognized in law as the
9 language of official business of the Government; and

10 (10) any monetary savings derived from the en-
11 actment of this Act should be used for the teaching
12 of non-English speaking immigrants the English
13 language.

14 (b) CONSTRUCTION.—The amendments made by sec-
15 tion 3—

16 (1) are not intended in any way to discriminate
17 against or restrict the rights of any individual in the
18 United States;

19 (2) are not intended to discourage or prevent
20 the use of languages other than English in any
21 nonofficial capacity; and

22 (3) except where an existing law of the United
23 States directly contravenes the amendments made by
24 section 3 (such as by requiring the use of a language
